

Ionic Elements

Concentrated Fulvic Acid
With Ionic Trace Minerals

Ionic Elements™ is a specially formulated combination of fulvic acid and ocean trace minerals. We start with a special, rare source of humic and fulvic acid base and use our proprietary (acid-free) refining method to accelerate the concentration and purity of the fulvic acid, which leaves it with a fresh, clean taste. We recommend adding Ionic Elements™ to any green drink. Or take at night for sound sleep.

- May reduce the effects of aging
- May promote restful sleep
- May support healthy immune function
- May increase alkalinity
- May promote the healthy growth of hair, skin, and nails

SUGGESTED USE: Adults take 20 drops four times per day. For optimum results, circulate the liquid in your mouth for ten to twenty seconds before swallowing. You can also simply drink it after diluting it in purified water or juice.

INGREDIENTS: Supercharged Activated Fulvic Acid; ocean and plant-derived magnesium with over 72 ionic trace minerals.

MENTAL ACUITY & FOCUS

Ginseng Plus

Nature's Time-Honored Vitality Source

We make the finest, most minimally processed ginseng powders and tablets that surpass all in supporting adrenal health, fitness, & everyday life for both females and males. We use American ginseng, which is considered to be the finest ginseng found anywhere in the world. The ginsenoside content of American ginseng is more potent than that of Asian ginseng and, unlike Asian ginseng, is in the perfect ratio for the human body. It causes a distinctive toning but calming response which is energizing but not stimulating. Since the potency of ginseng is concentrated in the root, we use unprocessed whole root ginseng, never an extract.

SUGGESTED USE FOR TABLETS: Take 6 tablets (3g) per day.

SUGGESTED USE FOR POWDER: Take 1.5 tsp per day mixed with water, juice, or your favorite smoothie.

INGREDIENTS: American Ginseng, Spirulina (California Grown).

Ginseng Extract

Traditional Vitality Source

White American Ginseng has been used throughout history because of its ability to revitalize and restore balance in the body. Ours contains at least 28 active ginsenosides which promote increased energy without the jittery side effects.

- Can support healthy responses to physical and psychological stress. May support healthy blood glucose levels
- Can support healthy cholesterol levels and cardiovascular function
- May help improve memory
- Is considered better for women's health issues than Chinese ginseng

SUGGESTED USE: Take 1 or 2 tsp daily.

Shake gently before using.

INGREDIENTS: American Ginseng Extract, Water, Glycerin.
